

Cards face-up problem:

$_{12}$ ♠ 4 2 ♥ A 9 6 3 ♦ A 8 7 5 ♣ A 9 6											
				N							
$_8$ ♠ Q J T 6	♥ K J T 7 5	♦ 6 4	♣ J 7	W		E	$_{10}$ ♠ –	♥ Q 4 2	♦ K Q J T 3	♣ Q 8 4 3 2	
				S							
$_{10}$ ♠ A K 9 8 7 5 3 ♥ 8 ♦ 9 2 ♣ K T 5											

Against 4♠ W leads 4♦.

The ♣♦ squeeze on E. We play all the spades throwing out hearts in dummy. W wins two of them. We give up the second diamond and ruff the third. E is left with K♦ and Q84♣ and we still one more trump – when we play it, E is squeezed:

♠ – ♥ ♦ 8 ♣ A 9 6											
				N							
♠ – ♥ K J	♦ –	♣ J 7	W		E	♠ – ♥ –	♦ K	♣ Q 8 4			
				S							
♠ 7 ♥ – ♦ – ♣ K T 5
